Very elegant late 1950's
 Neil Morris for Morris of Glasgow - Cumbrae range sideboard
 3 drawers flanked by 2 cupboards

Part of a set with chairs and table purchased by my parents in late 1950's
 Morris of Glasgow/Cumbrae stamp on the door panel.
 Designed after austerity ended in 1952, this set utilised newly available, more luxurious wood and it is I think zebra wood, with sycamore handles and detailing.
 The top drawer of three is a cutlery drawer, green baize lined and in good condition.
 There are some marks commensurate with age and family life on the piece which could I think be polished out.
 The back panel has wallpaper on it, which could be removed. Sold as seen I have put collection only, but am happy for buyers to arrange man and van
