

2005 Hymer 655 Fiat Ducato 2.8 JTD 6 Berth (7,150 GBP)

Location **East of England, Cambridgeshire**
<https://www.freeadsz.co.uk/x-216924-z>

Hymer Motorhome, in excellent condition and always kept undercover. The motorhome is based on a Fiat Ducato, powered by a 2.8 litre JTD powerful and economical diesel engine, drive through 5 speed gearbox, it is MOT'd till November and has a genuine 31,514 miles showing, bodily and mechanically superb. It has a high specification, it's body is fully winterized, as is it's water tank, has hot and cold water, washing up sink, 3 burner hob, oven, fridge freezer, top quality kitchen units, has a seperate bathroom, washstand and basin, toilet and seperate shower enclosure, all in superb condition. Up front there are two fully adjustable swivelling captains chairs, power steering, electric window, radio/CD with ipod/MP3 connection. Overhead is a drop down, 2 berth bed with screens. In the middle is the seating area, with deep upholstered cushions, all in excellent condition, a height adjustable dropleaf table giving plenty of room for eating. This table is used in conjunction with the seating to provide a further double bed. Behind this is the kitchen with facilities mentioned above and finally at the back there is a fixed double bed, which is a great feature to have.....no messing around in draws for quilts and pillows, the bed can simply be left made up.....and lifts to give interior access to a very large 'Garage/storage area'. There are skylights fitted, double glazed windows with curtains, blinds and fly screens all round. There is a blown air central heating system, also a GAS-FLO system with Euro connections and two bottles of 6 and 11 Kgs capacity. To the outside there are access hatches for the services, mains hook up, an extending awning and to the rear a bike rack for 4 bicycles, both made by FURAHMA. I have all the original.
