Twins Taping Ltd. Offers a tape & jointing service for all kinds projects including residential & commercial. We work mainly in London and surrounding areas, but will work further if required. We have over 15 years experience in tape & jointing and can guarantee a top class, snag free finish on time, every time. At Twins Taping we use dustless sanding machines to keep dust to a bare minimum. We only use British Gypsum materials unless requested otherwise to guarantee the best possible finish. Twins Taping can offer very competitive prices as there is no 'à la carte' in a suit. Both directors are on the tools making sure every job is running smoothly, and to everyones satisfaction.
