

Buy Steel Sliding Doors from Hormann

Location **East Midlands, Leicestershire**
<https://www.freeadsz.co.uk/x-217559-z>

Steel sliding garage doors are especially durable and instead of opening up towards the top like more traditional garage doors, these slide from side to side. This makes it possible to have a larger access point, which is important for storing larger vehicles, farm equipment, boats and other material. Hormann provides assistance with the installation of these kinds of doors.
