

WATER TREATMENT SYSTEM UPTO 20,000 LITRES (30 GBP)

Location

West Midlands, West Midlands

<https://www.freeadsz.co.uk/x-217707-z>

Independently draws water directly from your mains water tap via the free connector. Improves the clarity and most importantly the taste of tap water. NSA 50C units are best known for their ability to condition your drinking water by removing Chlorine, Taste and Color Odor. Buyer must collect. NO TIME WASTERS PLEASE. Jay - 07833229494 ;
