2 Hardback books from Readers Digest each in fine condition with 190 pages of facts with illustrations and photographs. The Great Age of Exploration Secrets of the Sea PLUS Chris Bonnington's Quest for adventure looks at expedition impulses that have driven men and women to accomplish amazing feats in the earth's hostile environments. Over 400 pages full of photographs and text – a large book in very good condition with no foxing, bumping or page damage. Dust cover torn and bumped in places. The man in the ice is an amazing story of the discovery of a 5000 year old body discovered in an Alpine glacier. As new condition all round. Full of fascinating photographs and a riveting narrative of the find. I have had a lot of problems with replies I send going into people's spam box so please check there or preferably include a separate contact if inquiring about this item.
