2 Raileigh Bikes in excellent conditions

They have just had full service so all gears and brakes perform beautifully.

They just had their brake pads replaced so they are brand new.

They have Slime inner tubes which are brand new (meaning that it protects you from punctures).

Gear shifters on Grey Raileigh Bike have just been replaced as they had a manufacturing failure.

The bikes have only been used since May this year so they ride like a charm.

I am selling them as I am moving out of London so I won't be needing them anymore.

I can provide all purchase papers if needed. They are negotiable

They are £150 each. If you are interested in either of them contact me on 07538834970 (text or
