They have been weaned onto a high quality grain free complete dog food and we would hope their new families would continue to feed a high quality grain free food. They have been wormed correctly with panacur 10% suspension. Beautiful golden retriever puppies. Born 10th October and ready to leave from 5th December to suitable homes.

Both parents have excellent temperaments and can be seen along with grandad and great grandma. Many Show champions in there pedigree.

The puppies come from a long line of health tested dogs who are well socialised with people and other dogs.

The puppies are born and reared in our family home and will be used to usual household noises along with children and our other dogs.

The puppies will go to their new homes:
