I love my bear Changing table with baby bath. Table folds back to reveal bath. Bath has drainage tube to empty water but bath can be removed from the unit. 3 hanging shelves and bottom shelf fixed. Was a god send after having my little boy. 4 hanging pots to put nappies wipes etc in. Wheels on unit so can move around. Split in seam in changing mat but doesn't affect use hence low price. Sadly outgrown. Plenty of life left in it;
