I have owned this sweet little car since 2008, 1 former keeper from new and the body work is exceptional with hardly a mark on it, the interior is also in excellent condition and the car is beautiful to drive and has served me very well indeed, frequent long runs. It has done 82,550 miles and was service and MOT'd in June. As the VVTi 1.5 GXL it has most of the usual features, CD player etc and key less door
