Absolutely lovely bike to ride. Extremely light. Has great wide tyres as well which makes it a very smooth ride. Bike will come with a free new heavy duty lock and 2 spare inner tubes. Bike looks new after a clean and is retailed at £1000. Only slight issue is the back disc brake needs realigning. It works fine just makes a noise. Two different cycle shops have said it will cost £10-15 too repair so i have reflected this in the price. 15.5 inch frame 27.5 inch
