Hello! My name is Jane and I am a native Italian speaker and have been teaching Italian at Language Schools (Berlitz) and privately for the last 10 years. I like to use various methods of teaching so depending on your level, as well as working from a grammar book I also like to use newspapers, cds and books. I also believe the best way of learning a language is to dive into it so unless you are a complete beginner I will be mainly speaking in Italian throughout the class! I live in Hove and usually do the lessons in my own house but can be flexible. I charge £20 per hour and I can do the lessons anytime of the day. If you are interested in having a chat and learning Italian, please call me on my mobile:.
