Swahili is a language mainly spoken in Eastern Africa. Its origin is a mixture of arabic and african languages known as bantu. It is a non biased language that is national in two of East african countries that is Tanzania and Kenya. It is easy to learn and other countries in east africa speak it as an optional language but its common. I am a swahili native and it is my first language. I have learnt it in academic level and i can guarantee you that with me u will learn easily and
