

Suzuki GSX (5,495 GBP)

Location **East of England, Cambridgeshire** https://www.freeadsz.co.uk/x-221017-z

How do you improve the amazingly good GSXR750K6? First you add a Brembo front master cylinder then add a full Akropovic exhaust system and to top it off an AMA inspired Bazzaz programmable engine management system with integrated up and down quick shifter with on the fly adjustable traction control, with switchable maps for wet and dry. All of these accessories total over £2000. This GSXR is truly a joy to behold in traditional Suzuki Blue and White with only 9491 miles. The condition is fantastic, with only minimal signs of use. There is also an R+G tail tidy fitted, braided hoses front and back as well as R+G frame, fork and swing arm protectors. We will service and mot this lovely bike before sale, giving you peace of mind. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £5495
