New Tyres this year. New centre and rear exhaust. New towbar - used once. Timing belt replaced at 97000. Owners manual and haynes workshop manual. No advisories at last MOT in October. Runs and drives well and looks good for it's age. Small dent to drivers side front wing and door from previous owner which didn't bother me but could easily be sorted in the right hands. I love this car but having taken on a rescue Greyhound we need an estate car. Road tax a low £145 A tidy little car for £975 ONO Text Mike -
