Company car forces very reluctant sale of my pride and joy. Drives faultlessly with a smooth gearbox and bundles of power when you need it. It has a full service history and is MOT'd for 11 months. There are a few marks commensurate with a car of this age but don't let that put you off this fully loaded car! Being the 'L' version it has 4 zone climate control and heated front & rear seats with the Bose sound system. £3,750 ono. 07515 688175,
