Beautiful kittens available from 3rd January 2016 In November my cat gave birth to 4 kittens, but unfortunately we don't have the resources or time to look after them, so keeping up the festive spirit we are looking to give them away free to a good home. We have 2 white and ginger males, 1 white and black male and 1 black female, will all be deflead, wormed and litter trained ready to go, viewings available from the 3rd January until all have been taken. We expect these to go quickly so don't hesitate to get hold of us. If you want know more or plan a time to make a visit in the next few days please contact myself, Dexter Prinsloo on 07881 101902 or my wife Lara on 0792896916 Feel free to leave a voicemail with a contact number so we can get back to you as soon as we can. Thank
