Boto Tyres (UK) is a leading UK tyre wholesaler and the sole UK tyre company. Based in the West Midlands, we remain a family run business with the expertise to supply the UK tyre market. All tyres supplied are road UK compliant demonstrating quality with the highest quality components and robust structure. BOTO Tyres is a leading subsidiary company of the Wanda Group (one of the top 500 Chinese companies). Established in 2004, the company employs over 8000 staff and its products, which are manufactured in China, are distributed worldwide. The company emphasises the quality of its products and this has built a strong reputation for the BOTO Tyres brand.
