MERCEDES BENZ A CLASS & VITO LCD PIXEL INSTRUMENT CLUSTER REPAIR (1999-2004)

£99

On this type of Odometer it is usually caused by internal components breaking down within the Instrument Cluster. The repair is carried out by fully qualified electronics engineers. We strip down the Instrument Cluster and replace internal faulty components to rectify the problem. We do not offer "quick fix" we actually replace the faulty parts with new ones required for the Mercedes. (Your mileage reading will stay intact, so there is no need for mileage correction.) Your Mercedes Speedo can be repaired at a fraction of the cost compared with the price of purchasing a new one **COMMON ISSUES**

- Failing warning lights
- Speedometer gauge problems
- Flickering Cluster
- Complete power failure
- Pixels failing on screen

REPAIR PROCEDURE

1. Remove the cluster using the instructions on the website
2. Fill out and print our job form on our web site. If you don't have a printer please write the information on a piece of paper including a contactable phone number. If the box is for a reference only, please print the form, cut out the address label and secure to the front of the box. We will recommend using a Royal Mail Special Delivery. If you have repaired the cluster yourself we will call you to arrange via tele
