This is a great caravan in excellent condition. Has a seating area at the front of the van with a sky light on top over this brings a great amount light through the day.

The kitchen area is a large size with 3 gas hob and a microwave. Plenty of top space. The van also has hot/cold water. Can be used for water by using electric boiler inside. The van works on a 230v as electric is easy to use. The van has a 230v heater. You have air heating as well which is fitted all the way through the caravan which gets the heat all through the van.

The washroom is at the rear end of the van, there is a swivel toilet, sink and a separate shower on the left hand side.

This is a single axle caravan, easy to tow, tyres are good too.
