This is a great caravan in excellent condition. Has a cosy rear fixed bed. There are 3 heiki sky roof lights, this brings a great amount of light through the day.

The kitchen area has a 5 burner size oven, hob and grill. Plenty of top space for motor movers. The caravan has a great extra 12v battery to turn on your remote control and direct your caravan where you want it to go (very handy for when parking caravans). To supply and fit motor movers cost £1,000 so it's a great extra to have fitted with the caravan. Caravan also has hot/cold water. Can simply heat water by gas or electric by using the inside switches. Also heater works of gas as well as electric very easy to work and heats up pretty quick. You have blow a heating as well which is fitted all the way through the caravan which gets the heat all through the van.
