This is a great caravan it is in very good condition. Has the end washroom. There is a heiki sky roof light that is a great addition during the day.

The living area has a large size electric hob and gas heater for work.

The washroom has hot/cold water. Can be heated with gas or electric boiler inside.

Also heater works on gas as well as electric very easy to work and heats up pretty quick. You have blow

in a heating as well which is fitted all the way through the caravan which gets the heat all through the van

in a small space of time.

The washroom is at the rear end of the van, there is a swivel toilet sink and also a separate shower.

This is a single axle caravan, easy to tow, tyres are good too.

Has all the paperwork and the manual to help you get started.
