For sale is this Ampeg PB212H 400W 2x12" Bass Cabinet
 It has light wear and tear but sounds great.
 It has some damage to the rubber on the top handle but still functions fine (see pics).

The PortaBass PB212H cab is designed to combine tone and clarity with portability. Lightweight plywood cab construction and neodymium speaker magnet technology both contribute to reduced weight, while a removable telescoping handle and easy-glide casters let you manuever it from the car into the club without the heavy lifting bass players often deal with.
