2 little boys looking for their new homes!
 ready to leave have had first injection 31/12/15 turned 8 weeks 30/10/15

They will not come with papers both parents are KC
 The puppies will leave with a full health check from vet, first injection, wormed, de-fleaed and 4 weeks insurance,

Boys -£600

Mum is my chihuahua, she can be seen with the puppies.
 Dad is not my own dog and is not available to be seen with the puppies. However I have pictures and information about him.
 If you have any questions or would like to come and view the puppies, please get in touch

The pictures really don't do them justice, they are stunning! Would be better if you come view them !
