I am looking for a flat to rent in or near Eastbourne for £560 or below. My partner is currently working and we have a small well behaved pet. We can offer you a professional cleaning at the end of tenancy and also a chance to meet him. We have pet references upon request. We are willing to pay extra deposit. We would prefer a property with a private/shared garden but this is not essential. Feel free to message me any questions. Kind regards - Francesca Hunt;
