3 Bedroom, Terraced House To Let: This Victorian terraced house has been modernised and extended to make it into an ideal home for a family. On the ground floor the bright front living room has a bay window, feature fireplace and custom fitted cupboards and shelves. The rest of the ground floor is a fantastic open plan space – solid wood flooring leads from the hallway into the dining room/family room which has original built in storage and a feature fireplace as well as doors to the garden. The room leads on into the modern fitted kitchen with integrated dishwasher and five ring gas range cooker; this room leads into what could be the perfect dining area or snug, with large timber framed doors leading onto an impeccable garden with brick patio area, lawn and mature flowerbeds. Upstairs there is a fabulous master bedroom with a bay window, feature fireplace and built in wardrobe. The middle double room also has a feature fireplace and built in wardrobe and the rear bedroom is a small double with views over the garden and the hills in the distance. The bright family bathroom has a separate bath and shower cubicle as well as useful storage cupboard and is flooded with light from a large skylight above. The property has double glazing throughout, gas central heating and currently has a dishwasher and range cooker, with plumbing and space for a fridge and washing machine. This beautiful family home is located on Eastville, off Claremont Road in Larkhall and is in the catchment area for St Saviours CofE.
