Our little Stine and our relatively small Igor have witnessed a wonderful union. Both parents have at exhibitions get very good reviews and received their ZTP without limitation. Meanwhile, our puppies are 12 weeks old, about 2.3 kilos easily and are beautiful in nature, building, pigment. Both parents are also small, well muscled and very agile as they are in the pack on our property in constant motion. Each puppy is vaccinated, microchipped and has a transparent, very good pedigree. We ask a lot of questions before placing a puppy and we reserve also to look after the puppies times in his new home. Our puppies get packed her "suitcase" while moving into their new home. This includes: - a lot of tips for the first hours and days  
 Given your dog gets a six-month, free liability.
