Purchased for parents at Xmas at a cost of £200 from curry's, this top of the range Hoover Hurricane does everything with its 1800 watts of pure cyclonic power, from edge to edge any floor surface and massive extension hose for top to bottom stair cleaning and removable handle pipe for ceiling edges. It was a little heavy for parents. Supplied in as new condition with instruction manual. First £50 takes it away. This is an absolute bargain if your looking for a new.
