Rover 200 1.4 16v with 66000 miles for sale. 3 previous owners including myself. I've owned this car for 3 years after purchasing it from a family friend when it had 49000 miles on the clock. It now has 66200 and has been an excellent little run around, I have all the paperwork on the vehicle since new and on it's most recent MOT I had two new tires fitted, it is currently MOT'd until 13th August with no advisories. The car in itself is in excellent condition as is the.
