We bought "The silver fox" nearly exactly a year ago. We bought him just before I inherited a Ford Galaxy and to be honest I should have let him go then, but I loved driving him so much. This is a truly classic Mercedes with a proven heritage. I would like to say we use him a lot but we don't. All I ever do is take him out at the weekend. He is the love of my wife (and yes it does make you slightly jealous) He is a very low mileage car at 34200 (still getting used over the holidays) and is offered with a Full Mercedes main agent-specialist Service History, Half Black Leather sport Seats, front and Rear Parking Sensors, 18 Inch AMG Wheels with AMG Body Kit, AMG Sports Package, Cd Changer, Electric Seats, Climate Control Air Conditioning, Cruise Control, easy pack tailgate, luxury Multifunction steering Wheel, ABS, Traction Control, Auto Dimming Mirrors, Electric Windows-Mirrors, Air Bags, Alarm, through load system, For this mileage and standard you are very likely to be paying £16k + at a dealers. Don't miss out on the chance with this car as it is being sold on a first come first served basis. Also advertised elsewhere so may be removed before end of advert. Please call 07547171857 with any questions and pick up from Kettering train or bus station for the lucky.
