## Virtual Horse Show, online photo entry, stress free showing

Virtual, Stress-Free Showing

Location London, London https://www.freeadsz.co.uk/x-249083-z

Being horsey people ourselves we know that it's not always possible to attend shows, but we feel this shouldn't stop people from having the opportunity to enter them! Established in 2015, we are the simplest way to show your horse, without the stress of travelling and trying to remain clean all day! Our classes hopefully offer you a fun and creative way of adding to the enjoyment you have with your horse-and are a good way to have your achievements recognised (best fancy dress/plaits etc!). Entry is simple, just click the "Enter this class" button at the bottom of the class page, and follow the simple instructions. Payment is via PayPal to make things simpler for you, you can use PayPal even if you do not have a PayPal account, just by using your credit or debit card. Visit www.showmyhorse.co.uk for more details and to!
