Black Cherry Design provides a service of scaled 2D & 3D space planning. We use the latest technology to create perfect working environments for you and your company. We have years of experience in space planning, creating 2D & 3D visuals. We have undertaken many projects of all sizes and are confident we can assist you in creating your perfect layout. 3D CAD Modelling: Bespoke office desks & storage can easily be drawn up to scale in both 2D & 3D, with experienced designers any new ideas can be created. 2D Layouts: After the interior is space planned we start to add extra information like room names, departments, keys, plants, people, etc ... to give the sense of a real environment. 3D Visuals: We specialise in producing photo realistic 3D visuals enabling you to communicate the designs more effectively with you customers. 3D Walkthroughs: This is the ultimate presentation tool. Walkthroughs & 360°
