 Jeanneau boats are really well built with many more extras than other manufacturers.

Extras
 Electric Windlass with a switch inside the boat as well as by the anchor, If you dont knowthis electrically pulls up or drops down the anchor.... so being in a strong current or swell you are not

dangerously leaning over the front of the boat manually pulling up the anchor. This was an extra fitted by the original owner and is a very important safety feature. Unless you intend to use the boat in a strong current or swell it is essential that of this size boat out at sea you never want an electric windlass fitted. (This boat has a combination sink / single gas hob (newly fitted and unused) gas hob is operated using a removeable gas canister so no need to have LPG on board. Jeanneau Merry fisher 655 178 Engine hours secondary leisure battery with power management system 240 volt shore power Rymaric 180 chart plotter/fishfinder Rymaric VHF Radio
