Here we have a great example of a Yamaha YZF-R125 that has covered 13734 miles from new by its former keepers. The bike has been HPI checked and a Certificate will be presented with the bike. The bike has been fitted with a Scorpion performance exhaust, this allows a little more of a growl upon acceleration and also allows the throttle to be a lot more responsive. Crash protectors have been fitted just in case the worst should happen. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. The bike has also been fitted with a seat cowl and tail tidy which really finish the bike off brilliantly. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 for more info or pop in and view at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
