"The big day for you and your special someone has finally arrived. No doubt you are deeply excited about tying the knot and hoping that you have a wedding day to remember and cherish for many years. I would like to say congratulations and wish you both all the very best in your future together". David Walsh, wedding magician

Performing at a wedding reception is by far my favorite thing about working in the entertainment business having the opportunity to share my style of magic with your friends and family while bringing them together in a way that is both a lot of fun and unforgettable.
