12week old staffy pup. I got her at 8week old but can no longer keep her as my 1year old son is allergic to her. She has had both injection and is now allowed out, she is up to date with flee and worming. She's microchipped. She is a giddy loving pup and almost toilet trained. Want her to go to a loving Home. She will come with bed, bowls, lead, and other bits.. Need to know anything contact me 07960982361. ;
