Renault Megan 1.5 Dynamique Diesel Estate Tom-Tom  
 first registered in April 2014 and still under Renault warranty until April 2017.  
 The car has done only 19,800 miles. Serviced by Renault main dealer, the last being carried out at 17,000 miles. It has all the usual refinements that would take too long to list but include a six speed gearbox, Sat-Nav, CD/Radio and five alloy wheels, the spare having never been used.  
 The road tax is free and fuel economy is exceptional.  
 The car is finished in a beautiful metallic cherry red and is in superb condition.
