

Milwaukee Heavy duty 240v 1600W 10kg 900k K Steel demolition Kango (360 GBP)

Location **South East, West Sussex**
<https://www.freeadsz.co.uk/x-253832-z>

Milwaukee Heavy duty 240v 1600W 10kg 900k K Steel demolition Kango

We got this unit for a domestic project to build a front porch which has finished. It is well maintained and not abused or used commercially.

Complete kit including the grease pump and the heavy duty case.

Kango works perfectly.

Specifications

This is a highly durable tool powered by a 1600W motor to give exceptional power of impact. It features a highly robust design with fullwave electronics for precise power adjustments, automatic lubrication and is ideal to use with generators.

Key Features
