Jeep Commander 3.0 CRD 7 seater
 Oil, oil filter and air filter changed
 Has a few scratches but nothing major
 Every single bit works as it should, comes with the usual spec for the Commander: DVD, SatNav, heated seats, AC dual zone third seat row has their own controller, park assist, etc.
 Has done 182k miles hence the reduced price
 Don't be put off by the mileage, the engine sounds just great and drives very good as I had a Grand Cherokee WK with 110k (same engine) and can't spot the difference however genuine buyers are more than welcome to come and have a look.
 Not using it at the minute however it's still taxed and has 12 months MOT, starts first time after being parked for a couple days and it just warms up the soul hearing that engine running..
 Part service history Jeep Chrysler stamped
 reasonable offers are welcome.
 Will be happy to reply all emails with my phone no. the reason I don't leave it in here is to avoid knob heads from calling regarding car accidents, claims and so on.
 Will only accept cash or a bank transfer, PayPal can be considered too.
 Cheers for
