Here I have a fantastic family holiday home for sale; this ABI Oakley is a 2015 model so nearly new and hardly used this holiday home is 12 foot wide and 38 foot long. As you enter this lovely caravan straight into the spacious lounge, kitchen & dining area which is equipped with plush, high backed, deep furniture, table & chairs, plenty of cupboard and storage space and unit to position your television. Going through the corridor leading to the sleeping area you enter into the hallway which holds doors to the large double bedroom which has full sized double bed with plenty of room round the bed on top of this there are plenty of cupboards and wardrobe space for all your belongings so that you can make this caravan a real home from home. The hallway also has doors to the twin rooms with plenty of storage space, and door to the roomy shower room and separate toilet. This truly is a brilliant family caravan that has been very well looked after and in fantastic condition. There are a few massive advantages to this caravan these are it had double glazing, central heating and a massive side decking. On top of this being a great caravan the park on which it is situated is second to none, rated a 5 star park, Tattershall Lakes Country Park is an award winning park and without a doubt the best anywhere in the Lincolnshire are, a wide range of activities and facilities are available on this park such as 18 golf course, gym, tropically heated swimming pool with, sauna, jacuzzi, showbar and cabaret, boathouse bar/restaurant, park shop, 4 fishing lakes, jet ski lake, water ski lake and the newly added wakeboarding park, owners only special events, family entertainment as well as loads to do for the kids in the pool and with your entertainment team throughout the day and night. Not to mention the park is stunning with ornamental lakes and fountains, superbly manicured lawns and gardens surround the spacious plots and ample parking. This all provides a beautiful place to spend time with family and loved ones.

This caravan is for sale privately as there is issues with health that make it very hard to use the holiday park as it is potentially for all children under 16 years old through school and college below.
