## Tracer Projector (Artograph) - Enlarge and trace art, patterns, designs (43 GBP)

Location London, London https://www.freeadsz.co.uk/x-254914-z

This Tracer Projector, made by Artograph is listed as used but has hardly been used in the few years since I bought it. It's great for tracing and enlarging drawings. The projector is in full working condition and has the original.
