

BioTexCom Center for Human Reproduction

Location **South East, Middlesex**
<https://www.freeadsz.co.uk/x-255736-z>

BioTexCom clinic will make your dream come true. The qualified medical staff will help you to solve the infertility problem. The clinic performs surrogacy programs as well as egg donation program. Moreover there is an Ideal Package which combines egg donation with the transfer to the surrogacy program. Each patient gets his own egg donor. BioTexCom clinic works more than 15 years in the sphere of infertility. The promo is: "There is no absolute infertility!". Semen freezing, embryo freezing, embryo donation, IVF, ICSI, IUI... Moreover the embryo transfer is performed on the fifth day.
