Most bulbs are LED for energy saving.

DOUBLE FLOORI

This clever space houses two large leisure batteries accessed from within aswell as 150 ltr tank of fresh water and 130 ltr tank for grey waste also accessed from within.

It is also a great storage area.

12 VOLT

This vehicle works extremely efficiently on the 12 volt system as it has 4 solar panels fitted to the roof, not a need for electrical hook up it simply becomes a choice if you need to or not. ;
