Location North, Cheshire https://www.freeadsz.co.uk/x-257346-z

REF:QKGZ. BMW R1150 RT 2003 on a 03 Plate Insurance Group 13. This bike was first owned by the Met, it was an escort vehicle for VIP's around London so it hasn't been in high speed pursuits etc. It only has 38k on the clock so for an ex-Police bike that isn't much, and as with all ex-Police bikes it comes with bags of history. The bike is in good condition for the year, it has all the usual BMW perks such as seat height and power screen adjustment, colour coded panniers etc. This model is an air cooled motronic fuel injection, 6-speed shaft drive bike with a dry clutch. It has a standard seat height of 84.5cm. It has a 25.2 litre fuel tank and weighs in at 255kg. Why not put this bike through it's
