Great quality brogue mens shoes in size 7 from top end high street store Reiss. Very smart and on trend at the moment, these were bought by my husband but he always found them to be a bit small so they have hardly been worn and have just sat in his wardrobe ever since. They have leather soles and a very comfortable wedge shaped heel. You can see that there is very little wear to the sole and heel. It would be nice if someone else could make use of.
