I have a gorgeous little Longcoat Chihuahua girl who is now ready to leave to the right home. Unfortunately, her mouth is slightly overshot and she does not have a level bite. This means she would not be suitable for showing or to have puppies which I have reflected in her price. She is a bundle of health in every other aspect and is being lovingly home reared by a very caring and experienced breeder of nearly 40 years. She has an excellent pedigree, is KC registered, wormed, vet checked and will be insured when she leaves. She will take with her a puppy pack of various food, instructions and a strawberry igloo bed with her home smells of mum, dad etc. to help stop missing all her loving friends and family too much. I give a full back up of advice, care and a lifetime of support. I have mum, dad, grandma and many other members of their family. all of whom would love a cuddle from you. All enquiries welcome.;
