Born on Boxing Day 2015, I have an adorable pure white chihuahua boy, ready to leave for his new, forever loving home now. He has completed his postpartum vet check and I am pleased to announce that both mother and puppies have a clean bill of health. Mother is white and cream particoloured. Father is a cream, micro tiny chihuahua. He has been lightly shown with success. Both parents have great temperaments and can be seen upon viewing. Puppies adult weight is chartered to be within breed standard when fully grown.

He has been raised with upmost care and attention in order to produce a happy, healthy and well rounded family pet. He has been brought up in a household with children, other dogs and is accustomed to general household noises. You will receive a puppy pack containing everything you need to get started. He will leave with his Kennel Club ownership forms, 5 weeks free Kennel Club pet insurance starting from the day you take your puppy home and a dated worming record. Breed care sheets will also be provided to assist you in looking after your new puppy correctly. I also offer on going support and advice should you need it. I only ask the best quality homes for my puppies so please don't be offended I ask you any questions about yourself. Viewings are highly welcome and recommended as photos do not do justice. Please get in touch for further details, thank you for.
