For sale, my yamaha neos in blue, 1999 Air cooled, 2 stroke no mot,  
 new tires, new stage6 crankshaft, stage6 oversized ceramic variator with polini belt  
 moped was not used for more than +6 months and will need a new speedo cable.  
 Very fast and reliable moped to use, never let me down. with 70cc kit it was going over 60mph.  
 very nice and cheap project to someone who is interested, can deliver locally on weekends.
