Here we have a bmw 320ci e46 129k miles
service history up to 100k then serviced by previous owner 2 owners i have not needed too do so as only covered such little miles.
Fully adjustable, Camber, ride height HSD Coilovers fitted just before i owned (not cheap currently set at highest ride height and softest setting as used as commuter)
18" style 32 genuine bmw wheels (rare being 18's)
brand new waterpump and thermostat fitted 500 miles ago.
tyres 2 have only covered 1500miles other 2 are ok.
rear parking sensors all fully functioning
Halo eye style headlights, LED rear lights (originals in boot in box)
New discs and pads fitted just before i recieved car also.
Few marks here and there but can expect for the age of the car. 15 years... Car was only purchased by us in October as a run around while we brought a new car which we have now got. We have just covered 250mile round trip to collect new car and drove spot on. £1350 Open to offera Make me and offer and try...
