Fender Standard Stratocaster with Bridge Humbucker and Single Coil Middle and Neck pick ups. Alder body with quilt maple top and aged cherry burst polyester finish (looks and sounds amazing) Maple Neck with modern "C" profile and satin urethane back finish (9.5 radius) Maple fingerboard with 21 medium jumbo frets, 3 ply parchment pick guard and parchment knobs, 70s style headstock logo, Original Floyd Rose double locking 2 point tremolo bridge with vintage style tremolo arm. It has been set up by a professional luthier and I've never seen an action as good as this on a Strat before, it's been played twice and is in top condition. They retail at about £675-700 so I think £440 is a fair price. You are welcome to inspect and trial any time. Phil on 01403
